## 1 Purpose

Describe the purpose of the TMP.

## 2 Scope

Describe the scope of the TMP.

## 3 Work Areas and Traffic Flows

Describe the work area and traffic flows, ideally provide a layout / sketch.

## 4 High Risk Areas, Activities and Interfaces

Describe the main concerns, high risk areas and interface between workgroups and the public.

## 5 Safety Controls

### 5.1 Barriers

#### 5.1.1 Hard Barriers

Describe the use of hard barriers here, for example:

- Boom gates
- Handrails

#### 5.1.2 Soft Barriers

Describe the use of soft barriers here, for example:

- Chains
- Flagging

#### 5.1.3 Bollards

Describe the use of bollard controls here.

#### 5.1.4 Speed Bumps

Describe the use of speed bumps here.

### 5.2 Walkways

Describe the use of walkways here.

### 5.3 Exclusion Zones

Describe the use of exclusion zones here.

### 5.4 Parking Areas

Describe the use of parking areas here.

### 5.5 Visibility Aids

Describe the use of visibility aids here.

#### 5.5.1 Lighting

Describe the use of lighting here.

#### 5.5.2 Blind Spot Mirrors

Describe the use of blind spot mirrors here.

### 5.6 Warning Devices

#### 5.6.1 Flashing Lights

Describe the use of flashing lights here.

#### 5.6.2 Audible Alarms

Describe the use of audible alarms here.

#### 5.6.3 Reverse BEEPERS

Describe the use of flashing lights here.

#### 5.6.4 Communication Devices

Describe any communication methods here, e.g. UHF.

### 5.7 Administrative Controls

#### 5.7.1 Safe Operating Procedures

Describe any SOPs, SWPs, SWMS etc.

#### 5.7.2 Training

List training requirements (inductions, HRWL)

#### 5.7.3 Scheduling

Describe the use of scheduling.

#### 5.7.4 Fatigue Management and Fitness for Work

Describe fatigue management procedures and drug / alcohol or fitness for work.

#### 5.7.5 Signage

Describe the use of signage here.

#### 5.7.6 Consultation and Communication

Describe consultation and communication measures here.

### 5.8 Maintenance and Fault Reporting

Describe how maintenance and fault reporting is managed.

### 5.9 Personal Protective Equipment

Describe what PPE is in use.

## 6 Change Management and Review

Describe how changes are managed and how the TMP is reviewed.
