<b>PRACTICAL ASSESSMENT (TO BE COMPLETED BY ASSESSOR)</b>	
TASK / OBSERVATION (TRAINEE MUST SUCCESSFULLY DEMONSTRATE THE FOLLOWING)	C / NYC
<b>PREPARING TO MOW THE SITE</b>	
The trainee confirmed the site to be mown and identified potential hazards and risks, including obstacles and fixtures.	
The trainee implemented safe working practices to manage risks, including the removal and replacement of obstacles before and after mowing.	
The trainee reported abnormal conditions or changes in the appearance of the site and existing grass surface.	
<b>PREPARING THE EQUIPMENT FOR MOWING</b>	
The trainee selected appropriate tools, equipment, and machinery for the mow site.	
The trainee calibrated the lawnmower and adjusted it to the height according to manufacturer guidelines.	
The trainee completed pre-operational checks of tools, equipment, and machinery.	
The trainee selected and maintained personal protective equipment according to workplace safety requirements.	
The trainee fitted and used personal protective equipment according to job requirements.	
The trainee erected safety warning notices during work periods.	
<b>MOW SITE SURFACE</b>	
The trainee assessed grass appearance and changes during mowing operations in line with requirements for the site.	
The trainee matched implements to the lawnmower according to manufacturers' specifications.	
The trainee maintained continuous oversight of mowing activities, including monitoring hazards and risks.	
The trainee identified environmental impacts associated with the operation of equipment and minimized them where possible.	
<b>COMPLETING MOWING AND CHECKING LAWNMOWER OPERATION</b>	
The trainee conducted shutdown procedures in line with workplace practices.	
The trainee performed routine operational servicing and minor maintenance.	
The trainee identified and reported malfunctions, faults, irregular performance, or damage in the required format.	
The trainee cleaned and stored the lawnmower and associated equipment in the required location.	
The trainee maintained lawnmower use records in the required format.
